**Understanding YOU
Vital to Relationship
Success**

Relationship success in a rapidly changing world, is more important than ever as the distribution of generations in the work place continues past the tipping point.

There is growing recognition and research that shows how emotion plays a significant role in your success, particularly as a leader. In building and maintaining relationships, understanding this is fundamental.

Your personality is the sum of your qualities and can be described in a fundamental way with a simple assessment that will you understand YOU.

At this month's meeting, you will have the opportunity to complete this assessment during the session.

Dennis D. Doran has over 40 years of experience in a variety of industries and sectors that all have 2 things in common – people and service.

Dennis' message on the vital importance of developing and valuing soft skills is delivered with passion, informing and motivating audiences.

He is primarily involved in working with the finishing trades and has been the principal instructor of the LMCI Project Management and Estimating Training Programs for over 10 years.
