ARGOS Adds New Location in Long Beach

Long Beach, CA – November 4, 2016 - ARGOS Material Distribution, LP, answering strong demand for its quality products, competitive pricing and highly proficient customer service, today announced plans to expand to the greater Los Angeles area by opening its second branch located at 1501 West Wardlow Road, Long Beach, CA 90810.

The 40,000+ square-foot facility, ideally located at the 405 and 710 freeway interchange with convenient freeway access, street frontage and ample customer loading/parking. The site is schedule to open December, 2016 and will join the existing location and corporate headquarters in Chino, CA.

“With the addition of our Long Beach location, ARGOS is committed to driving extraordinary service to our customers throughout Southern California with even greater capacity and value” said Tom Jordan, President & COO. “We’re excited to build on our model of modern efficiency and traditional values to the Los Angeles market while further strengthening our partnerships with customers and suppliers.”

About ARGOS:

ARGOS Material Distribution, LP is a family owned building materials distribution company that began in 2012 with the goal of providing our customers with the highest quality of customer service in the industry. We measure success by understanding the expectations and service requirements of our customers, then working diligently to exceed these needs. We value the partnerships we have with our employees, customers and suppliers above all else and never take that for granted.
